WORSHIP

JUNE 6 - JUNE 27

Worship is an expression of the relationship you have with God through Jesus Christ.

Worship is a genuine expression of the love, admiration, and respect you feel in your heart towards God.

MORNING TIME

Write the verses for this month in a place where the whole family can see it (fridge, family chalkboard, etc.). When you see your child in the morning, point the verses out to them, read the verses with them and talk with them about how they can worship God.

"Worship the LORD with gladness; come before him with joyful songs."

Psalms 100:2 NIV

DRIVE TIME

While driving, discuss courage with your child. Talk about what it means to worship God, when we can worship God, and why it's so important!

WEEK 1

Why do people worship God?

MEAL TIME

During dinner time, talk about how each person chooses to worship God. Talk as a family about how God is worthy of our praise and worship. Ask each person at the table about a time when they worshipped God.

WEEK 2

When should I worship God?

BED TIME

Each night before bed, take this time to pray together. Pray, "Dear God, thank You for being worthy of praise and worship! I know that it's hard not to worship other things I love, but you teach me how to worship You instead. I love you. Amen!"
