

FAMILY

NOVEMBER 7 - NOVEMBER 30

ELEMENTARY NOVEMBER 2021

God is the One who puts families together and love is the glue that holds families together. Family is not only the biological connections of people with your same family name—family is the close-knit community of those who love each other. Sometimes it's the people who we live closest with that we forget to treat well.

MORNING TIME

Write the verse for this month in a place where the whole family can see it (fridge, family chalkboard, etc.). When you see your child in the morning, point the verses out to them, read the verses with them and talk with them about how God helps us get to know who we are.

DRIVE TIME

While driving, ask your child about a time when they felt like someone wasn't treating them well. Talk about how that made them feel and how we're called to love others like Christ.

MEAL TIME

During dinner time, talk about what family means. Talk about different kinds of families and how we're all part of God's family. How should we treat members of our family?

BED TIME

Each night before bed, take this time to pray together. Pray, "Dear God, thank You for teaching me all about the family of Christ! I know that it's important to treat others well because we are all Your children. Thank You for bringing me into Your family. I love you. Amen!"

"Give thanks in all circumstances; for this is God's will for you in Christ Jesus"
