CREATE!

JANUARY 1 - JANUARY 23

God is the Creator, the author of life. Everything He creates is good and is for the good of others. God created a beautiful world and said, "It is good." Let's care for His creation and create alongside Him by using and developing the innate creativity He gives each and every one of us. There is hope in God's plan to bring salvation and new life to us when we choose to follow Jesus and in the creation of a new Heaven and a new Earth where there will be no more death or sorrow or crying or pain.

MORNING TIME

Write the verse for this month in a place where the whole family can see it (fridge, family chalkboard, etc.). When you see your child in the morning, point the verses out to them, read the verses with them and talk with them about all the different things that God created.

DRIVE TIME

God gives us all unique skills and talents that we can use for Him! While driving, ask your child what skills they have and talk about the importance of using those skills for good.

MEAL TIME

During dinner time, talk about why it is important to not be envious of someone else's skill. Take turns talking about a time when each person at the table used one of their skills.

BED TIME

Each night before bed, take this time to pray together. Pray, "Dear God, thank You for creating me exactly how You wanted me to be! I know that you've given me very specific talents and I can use those talents to bring glory to You. I love You, God. Amen!"

"In the beginning, God created the heavens and the earth."
