

# EARLY CHILDHOOD

EASTER 2026

## MORNING TIME

Write this Easter verse in a place where the whole family can see it. While getting ready in the morning, read the verse out loud with them and talk about all the ways that God loves us.

## DRIVE TIME

While on-the-go, talk to your child about things that we can do for other people. Does this make God happy? Why?

## MEAL TIME

At a meal this week let everyone at the table talk about why we should tell other people about God's love for us. Who does God love?

## BED TIME

At night before bed, pray, "God, thank You for loving me! Thank You for showing me how to be kind and love others too. I love You. Amen!"

This Easter kids will see that because Jesus came to give His life for them, they can give their lives to Him every day by following His example of serving others and telling others about God's love!
