

## THINK About It

Every day our minds are filled with thousands of thoughts. And our thoughts have power! In this series, kids will learn that through an everyday relationship with Jesus, God can change the way they think. He wants to help them catch, check, and change their thoughts!

### MEMORY VERSE

Romans 12:2 NIV

“Don’t live the way the world lives. Let your way of thinking be completely changed. Then you will be able to test what God wants for you. And you will agree that what he wants is right.”

### MORNING TIME

Write the verse for this month in a place where the whole family can see it. When you see your child in the morning, read the verse out loud with them and talk about what it means to let God change the way you think.

### DRIVE TIME

While on-the-go, talk to your child about what it means to think about what is right. Why is it important to think on good things?

### MEAL TIME

At a meal this week let everyone at the table talk about why it’s important to think about who we’re listening to. How can people influence us?

### BED TIME

At night before bed, pray, “God, thank You for helping me see what I should be thinking about and how my thoughts influence my attitude and my actions. I love You. Amen!”
